

10 Secrets For Success And Inner Peace

10 secrets for **SUCCESS** & Inner Peace

by Dr. Wayne Dyer

Secret #1

Have a mind that is open to everything and attached to nothing.

Your attachments are the source of all your problems. The need to be right, to possess someone or something, to win at all costs, to be viewed by others as superior—these are all attachments. The open mind resists these attachments and consequently experiences inner peace and success.

Secret #2

Don't die with your music still in you.

That music that you hear inside of you urging you to take risks and follow your dreams is your intuitive connection to the purpose in your heart since birth.

Secret #3

You can't give away what you don't have.

By changing your inner thoughts to the higher frequencies of love, harmony, kindness, peace, and joy, you'll attract more of the same, and you'll have those higher energies to give away

Secret #4

Embrace silence.

Silence reduces fatigue and allows you to experience your own creative juices.

Secret #5

Give up your personal history.

Secret #6

You can't solve a problem with the same mind that created it.

Your thoughts are the source of virtually everything in your life.

Secret #7

There are no justified resentments.

Anytime you're filled with resentment, you're turning the controls of your emotional life over to others to manipulate.

Secret #8

Treat yourself as if you already are what you'd like to be.

From thoughts to feelings to actions, they will all react affirmatively when you stay inspired and get out in front of yourself in ways that are consistent with what you want to become.... Whether you think this is possible or impossible, either way you'll be right.

Secret #9

Treasure your divinity.

You are "a piece of the divine intelligence that supports everything."

Secret #10

Wisdom is avoiding all thoughts that weaken you.
