

40 Hour Interpreter Training

What's the benefit to our graduate program?

There are many benefits:

- 100% Practice opportunity: You will have many encounters, simulations, and documents to work on to prepare you to take the final examination.
- 100% Support: We will help you with the final exam.
- The final exam is a practical medical interpretation exam that tests the in and out of the classroom, someone who has extensive teaching experience and is currently employed in the medical interpreting field.
- You set your own schedule: Evening hours, no driving or sitting in a classroom for long hours.
- After completing the program, you will have access to all the resources, including, materials and documents, to find ways you can continue your education.
