

# Changes In Latitudes Changes In Attitudes Chords

Changes in Latitudes, Changes in Attitudes

Changes in Latitudes, Changes in Attitudes (1977) Jimmy Buffett

Intro:

[G] [D] [A] [D] [G] [A] [G] [D] [F#] [Em] [D]  
[D] took off for a wee [G]ekend last month  
Just to [A]try and recall the whole [D]year  
All of the faces and [G]all of the places  
Wond[er]in' where they all disappeared

[Bm] didn't ponder the [F#m]question too long  
I was [G]hungry and went out for a [A]bite  
Ran [G]into a chum with a [D]bottle of rum  
and we [A]wound up drinkin' all [D]night

Chorus:  
It's these [G]changes in latitudes, [D]changes in attitudes  
N[A]othing remains quite the [D]same  
With [G]all of our running and [D]all of our cunning  
If [A]we couldn't laugh we would all [G]go [D]insane in [D]sane

Reading departure signs in some big airport  
Reminds me of the places I've been  
Visions of good times that brought so much pleasure  
Makes me want to go back again  
If it suddenly ended tomorrow  
I could somehow adjust to the fall  
Good times and riches and son of a bitches  
I've seen more than I can recall

Chorus:  
These changes in latitudes, changes in attitudes  
Nothing remains quite the same  
Through all of the islands and all of the highlands  
If we couldn't laugh we would all go insane

(Repeat Intro chords)

I think about Paris when I'm high on red wine  
I wish I could jump on a plane  
So many nights I sit and dream of the ocean  
God I wish I was sailin' again  
Oh, yesterday's over my shoulder  
So I can't look back for too long  
There's just too much to see waiting in front of me  
And I know that I can't go wrong

Chorus:  
With these changes in latitudes, changes in attitudes  
Nothing remains quite the same  
With all of my running and all of my cunning  
If I couldn't laugh I just would go insane  
If we couldn't laugh we just would go insane  
If [A]we weren't all crazy we [G]would [A]go in [G]sane [D]insane [D]

D/F# (2x023d)  
Bm (x2432)  
[F#m] (0233220)

**Changes in latitudes changes in attitudes chords** are a fundamental aspect of the music world, particularly for fans of Jimmy Buffett. This song, a classic in the genre known as "gulf and western," captures the essence of escapism and the laid-back lifestyle that Buffett embodies. For musicians and enthusiasts alike, understanding the chords and structure of this song can lead to a deeper appreciation of its themes and musicality. In this article, we will explore the chords of "Changes in Latitudes, Changes in Attitudes," their significance, and tips for playing them on various instruments.

## The Essence of "Changes in Latitudes, Changes in Attitudes"

Jimmy Buffett's "Changes in Latitudes, Changes in Attitudes" was released in 1977 as part of the album of the same name. The song reflects the idea that a shift in one's geographic location can lead to a change in perspective and mindset. This theme resonates with many who seek adventure, relaxation, or simply a break from the daily grind.

# The Song's Structure

Understanding the structure of the song is essential for musicians looking to cover it or simply appreciate its composition. The song follows a fairly straightforward progression, which contributes to its sing-along quality. Here's a breakdown of its main components:

1. Verse: Introduces the theme of the song and sets the narrative.
2. Chorus: Reiterates the central message, emphasizing the connection between latitude and attitude.
3. Bridge: Offers a contrasting section that adds depth to the song's message.

## Chords for "Changes in Latitudes, Changes in Attitudes"

The chords for "Changes in Latitudes, Changes in Attitudes" are relatively simple, making it accessible for beginners and enjoyable for seasoned musicians. Below is a common chord progression used throughout the song:

- Verse Chords: G - C - G - D - G
- Chorus Chords: C - D - G - C - G - D - G

## Detailed Chord Breakdown

Here's a more detailed look at the chords:

- G Major (G):
  - Place your fingers on the 3rd fret of the low E string (G), 2nd fret of the A string (B), and 3rd fret of the high E string (G).
- C Major (C):
  - Position your fingers on the 3rd fret of the A string (C), 2nd fret of the D string (E), and 1st fret of the B string (C).
- D Major (D):
  - Use your fingers on the 2nd fret of the G string (A), 3rd fret of the B string (D), and 2nd fret of the high E string (F).

## How to Play "Changes in Latitudes, Changes in Attitudes"

Playing this song can be a joyful experience, especially during gatherings or beach parties. Here are some tips to get you started:

## 1. Tune Your Instrument

Before you begin, ensure that your guitar or ukulele is properly tuned. This will not only make playing easier but also improve the sound quality. Standard tuning for a guitar is E-A-D-G-B-e.

## 2. Strumming Patterns

The strumming pattern can significantly impact the feel of the song. A common pattern for this song includes:

- Down, Down-Up, Up-Down-Up

This pattern captures the laid-back vibe that is characteristic of Jimmy Buffett's music.

## 3. Practice with a Metronome

To maintain a steady tempo, practicing with a metronome can be helpful. Start slow and gradually increase your speed until you reach the desired tempo.

## Tips for Performing the Song

Performing "Changes in Latitudes, Changes in Attitudes" can be a rewarding experience. Here are some tips to enhance your performance:

### 1. Connect with Your Audience

Engage your audience by encouraging them to sing along during the chorus. The communal spirit of Buffett's songs is one of their most appealing aspects.

### 2. Create a Relaxed Atmosphere

Set the mood by creating a relaxed environment. Consider performing outdoors or in a casual setting to mirror the song's themes.

### 3. Add Personal Touches

Feel free to incorporate your style into the performance. Whether it's a unique strumming pattern, a slight tempo change, or improvising a solo, adding personal touches can make the performance more enjoyable for you and your audience.

# Conclusion

**Changes in latitudes changes in attitudes chords** represent more than just musical notes; they embody a way of life that many aspire to achieve. By understanding the structure and playing techniques associated with this iconic song, musicians can not only enhance their skills but also share in the spirit of adventure and relaxation that Jimmy Buffett so eloquently portrays. Whether playing it at a beach bonfire, a backyard gathering, or just for personal enjoyment, this song continues to resonate with audiences around the world. So grab your guitar, gather some friends, and let the music transport you to a place where the sun shines, the drinks are cold, and the worries of life fade away.
