Preparation Steps

Now that we have our ingredients ready, let's dive into the preparation of this mouth-watering dish.

Step 1: Prepare the Chicken

1. Coat the Chicken: Start by seasoning the chicken strips with salt and pepper. Sprinkle the cornstarch over the chicken and toss until evenly coated. This will help achieve a crispy texture when cooked.
2. Heat the Oil: In a large frying pan or wok, heat the vegetable oil over medium-high heat. Ensure the oil is hot enough before adding the chicken to achieve that golden-brown crispiness.

Step 2: Cook the Chicken

1. Fry the Chicken: Add the coated chicken strips to the hot oil in batches, ensuring not to overcrowd the pan. Fry for about 3-4 minutes on each side until golden and cooked through. Remove the chicken from the pan and set it aside on a plate lined with paper towels to absorb excess oil.

Step 3: Prepare the Cashew Nut Sauce

1. Toast the Cashews: In the same pan, add the cashew nuts and toast them for about 2-3 minutes until they are golden and fragrant. Remove and set aside.
2. Make the Sauce: In a small bowl, combine the soy sauce, oyster sauce (if using), honey, rice vinegar, minced garlic, grated ginger, and chili flakes. Mix well until combined.

Step 4: Stir-fry the Vegetables

1. Add the Vegetables: In the same pan, add a little more oil if necessary,

and toss in the sliced bell peppers, carrot, and broccoli. Stir-fry for about 5 minutes or until the vegetables are tender but still crisp.

2. Combine Everything: Add the cooked chicken back into the pan along with the toasted cashews. Pour the sauce over the chicken and vegetables, mixing everything thoroughly to ensure even coating.

Step 5: Final Touches

1. Garnish and Serve: Once everything is well combined and heated through, remove from heat. Serve your chicken cashew nut dish hot, garnished with chopped spring onions and fresh coriander.

To complement your chicken cashew nut dish, consider the following serving suggestions:
