Ingredients for Chicken and Chorizo Paella

To create a mouthwatering chicken and chorizo paella, you will need the following ingredients:

- 2 tablespoons olive oil
- 1 onion, finely chopped
- 2 cloves garlic, minced
- 1 red bell pepper, diced
- 1 green bell pepper, diced
- 200g chorizo sausage, sliced
- 2 chicken thighs, bone-in and skin-on, cut into pieces
- 1 teaspoon smoked paprika

- 1 teaspoon saffron threads (optional)
- 300g Bomba or Arborio rice
- 1 liter chicken stock
- 200g frozen peas
- 1 lemon, cut into wedges (for serving)
- Fresh parsley, chopped (for garnish)
- Salt and pepper to taste

Preparation Steps

Follow these steps to prepare a delicious chicken and chorizo paella:

1. Sauté the Aromatics

In a large paella pan or a wide, shallow skillet, heat the olive oil over medium heat. Add the chopped onion and sauté until it becomes translucent, about 3-4 minutes. Then, add the minced garlic and diced bell peppers, cooking for an additional 2-3 minutes until the peppers are softened.

2. Cook the Chorizo and Chicken

Next, add the sliced chorizo to the pan. Cook for about 5 minutes, allowing the chorizo to release its flavorful oils. Then, add the chicken pieces, seasoning them with salt and pepper. Sear the chicken on all sides until golden brown, which should take around 6-8 minutes.

3. Add Spices and Rice

Stir in the smoked paprika and saffron threads (if using) to the pan. Mix well to coat the meat and vegetables evenly. Then, add the rice, stirring for about 1-2 minutes to toast the rice lightly. This step enhances the flavor of the rice, making it more aromatic.

4. Pour in the Stock

Carefully pour in the chicken stock, ensuring that it covers the rice and meat mixture. Bring the mixture to a gentle boil, then reduce the heat to low. Do not stir the rice after this point, as

traditional paella is meant to develop a crispy bottom layer known as socarrat.

5. Simmer and Add Peas

Cover the pan with a lid or aluminum foil, allowing it to simmer for about 15-20 minutes. After this time, remove the lid and sprinkle the frozen peas over the top. Cover again and simmer for an additional 5-7 minutes, or until the rice is cooked and the liquid is absorbed.

6. Rest and Serve

Once cooked, remove the paella from the heat and let it rest for about 5 minutes. This resting time allows the flavors to meld together. Garnish with chopped parsley and serve with lemon wedges on the side for an added zing.

Tips for the Perfect Paella

Creating a perfect chicken and chorizo paella can be achieved by following these helpful tips:

- **Use the Right Rice:** Bomba rice is the ideal choice for paella due to its ability to absorb flavors while maintaining a firm texture. Arborio rice works as a substitute, but it may yield a creamier consistency.
- **Don't Stir:** Once you add the stock, resist the temptation to stir. This helps develop the socarrat, which is the prized crispy layer at the bottom of the pan.
- **Adjust Cooking Time:** Cooking times may vary depending on your stove and the type of pan used. Keep an eye on the rice and adjust the cooking time as necessary.
- **Experiment with Ingredients:** While this recipe uses chicken and chorizo, feel free to customize it with other proteins like shrimp, mussels, or vegetables for a vegetarian option.

Serving Suggestions

Paella is a dish that can stand alone, but pairing it with the right accompaniments can elevate your dining experience. Here are some serving suggestions:

- **Chilled White Wine:** A glass of crisp white wine, such as Albariño or Verdejo, complements the flavors of the paella beautifully.

- **Side Salad:** A simple green salad with a light vinaigrette can balance the richness of the paella.
- **Garlic Bread:** Serve warm garlic bread on the side for a comforting touch.
- **Tapas:** Consider offering a selection of traditional Spanish tapas, such as patatas bravas or olives, to start the meal.
