## What is Crostata di Marmellata Giallo Zafferano?

Crostata di marmellata giallo zafferano is a type of tart that is typically filled with fruit jam, often apricot or peach, and flavored with saffron, which gives it a unique taste and a beautiful golden color. The crostata itself features a buttery, crumbly pastry that serves as the perfect base for the jam filling. This dish is not only a staple in Italian households but also a popular dessert at celebrations and gatherings.

## The History of Crostata

Crostata has its roots in Italian culinary traditions that date back to medieval times. Originally, it was a method to preserve fruits by encasing them in pastry. Over the centuries, the recipe evolved, leading to the modern

versions we enjoy today. The addition of saffron, particularly in the giallo zafferano (yellow saffron) variant, showcases the influence of regional ingredients and flavors, particularly from areas like Sicily, where saffron is cultivated.

## **Key Ingredients for Crostata di Marmellata Giallo Zafferano**

To create a perfect crostata di marmellata giallo zafferano, you will need the following ingredients:

- For the pastry dough:
  - 250 grams of all-purpose flour
  - 125 grams of unsalted butter, softened
  - 100 grams of granulated sugar
  - 1 large egg
  - 1 egg yolk
  - 1 teaspoon of vanilla extract
  - 1/2 teaspoon of baking powder
  - A pinch of salt
  
- For the filling:
  - 250 grams of fruit jam (apricot or peach is preferred)
  - A few strands of saffron
  - 1 tablespoon of warm water

## **Preparation Steps**

Making crostata di marmellata giallo zafferano is a straightforward process that can be broken down into several key steps:

## **1. Prepare the Saffron Infusion**

To enhance the flavor of your jam filling, start by infusing saffron:

1. Take a few strands of saffron and place them in a small bowl.
2. Add 1 tablespoon of warm water to the bowl to release the flavor and color.
3. Let it steep for about 10 minutes.

## **2. Make the Pastry Dough**

1. In a large mixing bowl, combine the flour, baking powder, and salt.
2. Add the softened butter and sugar, mixing until crumbly.
3. Incorporate the egg, egg yolk, and vanilla extract, kneading the mixture until it forms a smooth dough.
4. Wrap the dough in plastic wrap and refrigerate for at least 30 minutes.

## **3. Assemble the Crostata**

1. Preheat your oven to 180°C (350°F).
2. Roll out two-thirds of the chilled dough on a floured surface to about 1/4 inch thickness.
3. Transfer the rolled dough into a tart pan, pressing it evenly into the bottom and up the sides.
4. Spread the jam evenly over the pastry base. Drizzle the saffron infusion over the jam for added flavor.
5. Roll out the remaining dough and cut it into strips to create a lattice pattern over the jam.
6. Trim any excess dough and press the edges to seal.

## **4. Bake the Crostata**

1. Place the assembled crostata in the preheated oven.
2. Bake for 30-35 minutes or until the crust is golden brown and the jam is bubbling.
3. Remove from the oven and let it cool in the pan for about 10 minutes before transferring it to a wire rack.
