# Step-by-Step Instructions

Follow these steps to create an easy moussaka that is packed with flavor.

## Step 1: Prepare the Eggplants

1. Preheat your oven to 200°C (400°F).
2. Slice the eggplants into rounds and sprinkle them with salt. Allow them to sit for about 30 minutes to draw out excess moisture. This helps reduce bitterness.
3. Rinse the eggplant slices under cold water and pat them dry with a kitchen towel.
4. Drizzle olive oil over the eggplant slices and arrange them on a baking sheet. Bake for about 20 minutes until they are tender and slightly golden.

## Step 2: Cook the Meat Sauce

1. In a large pan, heat a drizzle of olive oil over medium heat. Add the chopped onion and cook until soft and translucent.
2. Stir in the minced garlic and grated carrot, cooking for another 2-3 minutes.
3. Increase the heat and add the minced meat, breaking it up with a wooden spoon. Cook until browned.
4. Add the chopped tomatoes, tomato paste, oregano, and cinnamon. Season with salt and pepper. Allow the mixture to simmer for about 20 minutes, stirring occasionally.

## Step 3: Make the Béchamel Sauce

1. In a saucepan, melt the butter over medium heat. Once melted, whisk in the flour to create a roux, cooking for about 1-2 minutes until it turns a light golden color.
2. Gradually add the milk while whisking continuously to avoid lumps. Cook until the sauce thickens.
3. Stir in the nutmeg, grated cheese, and season with salt and pepper. Remove from heat and set aside.

## Step 4: Assemble the Moussaka

1. In a large baking dish, spread a layer of the meat sauce on the bottom.
2. Add a layer of roasted eggplant slices on top of the meat sauce.
3. Repeat the layers, finishing with a layer of eggplant.
4. Pour the béchamel sauce evenly over the top layer of eggplant, spreading it out with a spatula.
5. Sprinkle additional grated cheese on top for a golden finish.

## Step 5: Bake the Moussaka

1. Place the assembled moussaka in the preheated oven and bake for about 30-40 minutes, or until the top is golden and bubbling.
2. Remove from the oven and let it cool for about 10-15 minutes before serving. This allows

the layers to set, making it easier to slice.

## Serving Suggestions

Moussaka is a hearty dish that can be served on its own, but it pairs wonderfully with various sides and accompaniments:

- A simple Greek salad with tomatoes, cucumbers, olives, and feta cheese.
- Crusty bread to soak up the delicious sauces.
- A dollop of Greek yogurt or tzatziki for added creaminess.

## Tips for a Perfect Moussaka

Creating the perfect moussaka can be an art. Here are some tips to ensure your dish turns out great:

- **Choose the right eggplants:** Look for firm, shiny eggplants. Avoid those with soft spots or blemishes.
