## Writing Section Sample Response

Social media has had a profound impact on personal relationships. It allows individuals to connect with friends and family across the globe, fostering a sense of closeness despite physical distance. However, it can also lead to misunderstandings and superficial connections, as online interactions may lack the depth of face-to-face communication. ## Speaking Section Sample Response

My favorite book is "To Kill a Mockingbird" by Harper Lee. This novel is meaningful to me because it addresses themes of racial injustice and moral growth. The character of Atticus Finch serves as a moral compass, teaching important lessons about empathy and integrity. I appreciate how the story is narrated through the eyes of a child, which adds a unique perspective on societal issues.
