

# General Motors 7 Day Diet Plan

**General Motors 7 Day Diet Plan** is a popular diet program that promises rapid weight loss and detoxification. This diet is designed to help individuals shed up to 10-17 pounds in just one week. Originating from a purported initiative by General Motors for its employees in the 1980s, the plan has gained considerable attention over the years for its simplicity and effectiveness. Unlike many diets that require complex meal preparations or calorie counting, the General Motors diet focuses on specific food groups each day, making it easier to follow. In this article, we will explore the key components of the General Motors 7 Day Diet Plan, the foods you can eat, and tips for success.

## Overview of the General Motors 7 Day Diet Plan

The General Motors 7 Day Diet Plan is structured to provide a balanced approach to eating while encouraging detoxification. The diet is divided into seven distinct days, with each day focusing on different food categories. The primary goal is to help individuals lose weight while cleansing the body of toxins.

## How It Works

Each day of the General Motors diet is designed around a specific type of food, allowing the body to utilize different nutrients effectively. The plan is simple and requires minimal preparation, making it accessible for most people. Here's a brief overview of what each day entails:

- Day 1: Fruits
- Day 2: Vegetables
- Day 3: Fruits and Vegetables
- Day 4: Bananas and Milk
- Day 5: Tomatoes and Protein
- Day 6: Vegetables and Protein
- Day 7: Brown Rice and Vegetables

## Daily Breakdown of the General Motors Diet

Let's take a closer look at each day of the General Motors 7 Day Diet Plan.

### Day 1: Fruits

The first day is all about consuming only fruits, with the exception of bananas. This day is intended to kickstart the detox process and provide essential vitamins and minerals.

- Allowed Fruits: Watermelon, apples, oranges, grapes, and berries.
- Hydration: Aim to drink plenty of water throughout the day.

### Day 2: Vegetables

Day two focuses solely on vegetables, which are low in calories and high in nutrients. This helps to continue the detoxification process.

- Allowed Vegetables: Leafy greens, carrots, cucumbers, and bell peppers.
- Preparation Tips: You can consume them raw, steamed, or boiled. Avoid using oil or heavy dressings.

### Day 3: Fruits and Vegetables

On the third day, you can enjoy both fruits and vegetables. This balanced intake helps to keep you full and satisfied while still aiding in weight loss.

- Combination Ideas: Salads with a mix of fruits and vegetables, smoothies, or fruit salads.
- Hydration: Continue to drink plenty of water.

## Day 4: Bananas and Milk

Day four introduces bananas and milk, which provide potassium and calcium. This day is unique as it allows for more caloric intake compared to previous days.

- Allowed Foods: Up to 8 bananas and 3 glasses of skim milk.
- Hydration: Water is still essential, so keep drinking throughout the day.

## Day 5: Tomatoes and Protein

On the fifth day, the diet shifts focus to tomatoes and protein. This is crucial for muscle repair and helps boost metabolism.

- Allowed Foods: Up to 6 whole tomatoes and a serving of lean protein (chicken, fish, or legumes).
- Preparation Tips: Grill or bake the protein for best results.

## Day 6: Vegetables and Protein

Day six combines vegetables with protein, offering a well-rounded option to continue your weight loss journey.

- Allowed Foods: Any vegetables paired with a serving of lean protein.
- Variety: You can experiment with different cooking methods to keep meals exciting.

## Day 7: Brown Rice and Vegetables

The final day of the General Motors diet includes brown rice and vegetables. This combination provides complex carbohydrates, ensuring sustained energy levels.

- Allowed Foods: One cup of brown rice and unlimited vegetables.
- Preparation Tips: Cook the brown rice with low-sodium broth for added flavor.
