

God Help The Outcasts Chords

God Help the Outcasts

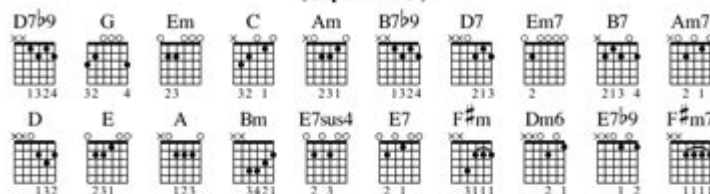

from THE HUNCHBACK OF NOTRE DAME

Music by Alan Menken

Lyrics by Stephen Schwartz

(Capo 4th fret)

Verse 1

D7b9 **G**
I don't know if You can hear me

D7b9 **G**
Or if You're even there.

Em **C**
I don't know if You would listen

Am **G**
To a Gypsy's prayer.

Em **Am**
Yes, I know I'm just an outcast,

B7b9 **Em**
I shouldn't speak to You.

D7b9 **G**
Still, I see Your face and wonder

D7b9 **G** **D7b9** **G** **D7b9**
Were You once an outcast too?

God Help the Outcasts chords are a vital part of the musical tapestry woven throughout Disney's animated classic, *The Hunchback of Notre Dame*. This poignant song, performed by the character Esmeralda, resonates deeply with themes of compassion, acceptance, and societal marginalization. In this article, we will explore the significance of the song, provide a detailed look at the chords used, and offer tips for musicians to effectively play and interpret this moving piece.

Understanding the Song's Context

The Hunchback of Notre Dame was released in 1996 and is known for its darker themes compared to other Disney films, tackling issues such as prejudice, love, and redemption. "God Help the Outcasts" reflects Esmeralda's plea for mercy and understanding for those who are often cast aside by society. The song is not only a showcase of her character but also a universal call for empathy towards the marginalized.

Thematic Significance

The themes embodied in "God Help the Outcasts" resonate with many listeners. Here's a breakdown of its core themes:

- **Empathy:** Esmeralda's prayer highlights the importance of understanding and caring for those who are different.
- **Social Justice:** The song serves as a critique of societal norms that often lead to the ostracization of the underprivileged.
- **Faith and Hope:** Despite the struggles faced, there is a sense of hope and faith in a higher power that can bring about change.

These themes are not just relevant to the storyline of The Hunchback of Notre Dame but also echo real-world issues, making the song timeless and relatable.

Chords for "God Help the Outcasts"

For musicians interested in performing "God Help the Outcasts," understanding the chords is essential. The song is typically played in the key of A major, which complements the emotive nature of the lyrics. Below is a breakdown of the chords used throughout the song.

Basic Chord Progression

The primary chords used in "God Help the Outcasts" include:

- A
- E
- Fm
- D
- Bm

Here is a simplified version of the chord progression for the verses:

1. A
2. E
3. Fm
4. D
5. Bm
6. E
7. A

This progression repeats throughout various sections of the song, allowing for a consistent yet emotionally charged backdrop to Esmeralda's heartfelt lyrics.

Detailed Chord Breakdown

Here's a more in-depth look at how to play each chord:

- A Major:
 - Place your index finger on the second fret of the D string.
 - Your middle finger should go on the second fret of the G string.
 - Finally, your ring finger should press down on the second fret of the B string.
- E Major:
 - Your index finger should be on the first fret of the G string.
 - Place your middle finger on the second fret of the A string.
 - Your ring finger goes on the second fret of the D string.
- Fm (F minor):
 - This chord can be played as a barre chord by pressing down all strings on the second fret with your index finger, while your ring finger covers the fourth fret of the A, D, and G strings.
- D Major:
 - Place your index finger on the second fret of the G string.
 - Your middle finger should be on the second fret of the e string.
 - Your ring finger should be on the third fret of the B string.
- Bm (B minor):
 - Like Fm, this is commonly played as a barre chord. Press down all strings on the second fret with your index finger and form an E minor shape with your remaining fingers.

Tips for Playing "God Help the Outcasts"

Now that you have a grasp of the chords, here are some tips to enhance your performance of "God Help the Outcasts":

Focus on Emotion

- Interpret the Lyrics: Take time to understand the lyrics and the story they tell. The emotional delivery is just as important as the technical aspects of playing.
- Dynamic Playing: Vary your strumming pattern and dynamics throughout the song. Softer strumming during more introspective lyrics and stronger strumming during the chorus can create a powerful contrast.

Practice Regularly

- Repetition is Key: Regular practice will help you become more comfortable with the chord transitions and the overall flow of the song.
- Use a Metronome: Practicing with a metronome can help you maintain a steady tempo, especially during more intricate sections.

Incorporate a Variety of Techniques

- Fingerpicking: Consider fingerpicking instead of strumming to add a delicate touch to the song. This technique can enhance the emotional weight of the performance.
- Add Variations: Once you are comfortable with the basic chords, try adding embellishments or variations to make your rendition unique.

Conclusion

God Help the Outcasts chords are not just a series of musical notes; they represent a deep emotional plea for compassion and understanding. By mastering these chords and embracing the song's profound themes, musicians can deliver a performance that resonates with audiences both young and old. Whether you are performing at a gathering, recording a cover, or simply playing for yourself, keep in mind the emotional weight that this song carries. With practice and passion, you can bring Esmeralda's heartfelt message to life through music.
