1. Thor (2011)

The first film, "Thor," directed by Kenneth Branagh, introduces audiences to the titular character, Thor, who is exiled from Asgard to Earth as punishment for his arrogance. The film not only establishes Thor's character but also introduces key supporting characters, including:

- Loki (Tom Hiddleston), Thor's mischievous brother
- Jane Foster (Natalie Portman), a scientist who becomes Thor's love interest
- Odin (Anthony Hopkins), Thor's father and ruler of Asgard

The film explores themes of redemption, humility, and the importance of family. Its blend of action, comedy, and drama set the stage for future Thor movies, and it was well-received by both audiences and critics, grossing over $450 million worldwide.

2. Thor: The Dark World (2013)

The sequel, "Thor: The Dark World," directed by Alan Taylor, delves deeper into the mythos of the Nine Realms and introduces the Dark Elves, led by Malekith (Christopher Eccleston). 4. Thor: Love and Thunder (2022)

Following the success of "Thor: Ragnarok," Taika Waititi returned to direct "Thor: Love and Thunder."
