Understanding Ingredients Safe for Dogs

Before diving into the recipes, it's important to understand which ingredients are safe for dogs. Many common baking ingredients can be harmful to pets, so always opt for dog-friendly alternatives. Here's a list of

ingredients you should consider when making a dog cake:

- **Whole Wheat Flour** – A great substitute for regular flour, it's digestible and provides fiber.

- **Peanut Butter** – Ensure it's xylitol-free; dogs love the taste, and it adds moisture.

- **Applesauce** – A healthy sweetener that adds moisture without sugar.

- **Carrots** – Good for your dog's vision and teeth, and they add a nice crunch.

- **Eggs** – A great source of protein and helps bind the cake.

- **Low-Fat Yogurt** – Perfect for frosting; make sure it's plain and free of artificial sweeteners.

- **Bananas** – A natural sweetener that's safe and tasty for dogs.
