# Hair: Mastering the Iconic Ponytail

Ariana Grande is perhaps best known for her signature high ponytail. Here's how to recreate this look along with other hairstyles she often sports:

## 1. High Ponytail

To achieve Ariana's sleek high ponytail:

- Preparation: Start with clean, dry hair. Use a straightener for a smooth finish.
- Gathering Hair: Pull your hair into a high ponytail at the crown of your head, securing it with a hair tie.
- Sleek Finish: Use a gel or smoothing serum to tame any flyaways and ensure a polished look.
- Optional: Wrap a small section of hair around the base of the ponytail to hide the hair tie, securing it with a bobby pin.

## 2. Half-Up, Half-Down Style

This is another favorite of Ariana's:

- Sectioning: Take the top section of your hair and pull it back into a small ponytail or clip.
- Styling: Leave the rest of your hair down, either straight or in soft waves.

## 3. Loose Waves

For a more relaxed look, go for loose waves:

- Curling: Use a curling wand to create soft, beachy waves. Focus on the mid-lengths and ends of your hair.
