- **Pronouns:** Words that replace nouns to avoid repetition (e.g., he, she, it).

- **Verbs:** Action words that describe what the subject does (e.g., run, think, is).

- **Adjectives:** Words that describe or modify nouns (e.g., blue, tall, interesting).

- **Adverbs:** Words that modify verbs, adjectives, or other adverbs, often ending in -ly (e.g., quickly, very, well).

- **Prepositions:** Words that show relationships between nouns or pronouns and other words in a sentence (e.g., in, on, at).

- **Conjunctions:** Words that connect words, phrases, or clauses (e.g., and, but, or).
