

Ignatian Prayer Of Examen

the
EXAMEN

The *Examen* is a method of reviewing your day in the presence of God. It's actually an attitude more than a method, a time set aside for thankful reflection on where God is in your everyday life. It has five steps, which most people take more or less in order, and it usually takes 15 to 20 minutes per day. Here it is in a nutshell:

- 1** Ask God for light.
I want to look at my day with God's eyes, not merely my own.
- 2** Give thanks.
The day I have just lived is a gift from God. Be grateful for it.
- 3** Review the day.
I carefully look back on the day just completed, being guided by the Holy Spirit.
- 4** Face your shortcomings.
I face up to what is wrong—in my life and in me.
- 5** Look toward the day to come.
I ask where I need God in the day to come.

History and Context of the Examen

Origins in Ignatian Spirituality

The Examen is a central component of Ignatian spirituality, developed in the 16th century by St. Ignatius of Loyola. After experiencing a profound spiritual awakening, Ignatius sought to develop a method of prayer that would help individuals grow in their relationship with God. The Examen became a cornerstone of his Spiritual Exercises, a series of meditations and contemplations designed to deepen one's faith and understanding of God.

Development and Popularity

Over the centuries, the Examen has been adapted and embraced by various Christian denominations and individuals seeking a prayerful approach to self-reflection. Its popularity stems from its simplicity and effectiveness, allowing people from diverse backgrounds to engage in meaningful prayer and reflection. The Examen is often practiced at the end of the day but can be used at any time when one seeks to reflect on their actions and spiritual life.

Structure of the Ignatian Examen

The Ignatian prayer of examen typically consists of five key steps, each designed to guide the practitioner through a reflective process. These steps can be adapted to meet individual needs but generally follow this structure:

1. **Presence of God:** Begin by acknowledging God's presence. Take a moment to center yourself, breathe deeply, and invite the Holy Spirit into your reflection.
2. **Gratitude:** Reflect on the day and express gratitude for the blessings received. Consider both the small and significant moments that brought joy, peace, or insight.
3. **Review of the Day:** Go through the day in your mind, paying attention to your thoughts, feelings, and actions. This step involves a detailed examination of how you responded to various situations and interactions.

4. **Contrition:** Acknowledge areas where you fell short, made mistakes, or acted contrary to your values. This is not a moment of self-condemnation but rather an opportunity to recognize and learn from your shortcomings.

5. **Resolution:** Conclude by looking forward. Consider how you can grow from your reflections and set intentions for the next day. This can involve specific actions or attitudes you wish to cultivate.

Practical Steps for Engaging in the Examen

Implementing the Ignatian prayer of examen into your daily routine can be a transformative experience. Here is a practical guide to getting started:

1. Set Aside Time

- Choose a specific time each day for your Examen practice. Many people prefer to do this in the evening, allowing for reflection before sleep. However, you can choose any time that suits your schedule.

2. Create a Comfortable Space

- Find a quiet place where you can focus without distractions. This could be a corner of your room, a garden, or even a favorite chair. Ensure that your space is conducive to prayer and reflection.

3. Begin with Prayer

- Start your Examen by praying for guidance and openness to God's presence. You might say a simple prayer, such as, "Lord, help me to see my day through your eyes."

4. Follow the Five Steps

- Presence of God: Take a few moments to breathe deeply and become aware of God's presence in the room.

- Gratitude: List three things you are grateful for from the day. This could be moments of joy, lessons learned, or interactions with others.

- Review of the Day: Mentally walk through your day, paying attention to key moments. Ask yourself questions like:

- What moments stood out to me today?
- How did I respond to challenges?
- Did I act in alignment with my values?

- Contrition: Reflect on any actions or thoughts that may have caused harm to yourself or others. Acknowledge these moments without harsh judgment.

- Resolution: Think about how you can improve tomorrow. Set a specific intention or action that you want to carry into the next day.

5. Conclude with Prayer

- End your Examen with a closing prayer. You might express thanks or ask for strength and guidance for the upcoming day.

While the traditional Examen is a powerful tool for personal reflection, it can also be adapted for various contexts and groups. Here are a few ideas:

Group Examen

Examen in Professional Settings
