

Kaiser Permanente Assessment Test Answers

Kaiser Permanente Insurance Company (KPIC)
Field Underwriting Questionnaire

The following questionnaire must be completed when offering Added Choice POS-3, Dual Choice PPO or Dual Choice coverage options to a prospective purchaser but Kaiser classifies as a "Large Group" in California. To meet Kaiser's classification as a "Large Group", the employer must have 51 or more employees working full-time (at least 20 hours per week) who are offered employer-sponsored health coverage.

Employer Group Legal Name: _____ Field Title: DR# _____ SAO: _____

Section A. Presenting a Prospective Purchaser

Please ask the purchaser to respond to the following questions and mark their response below.

	Yes	No
1. Has the group offered health coverage for at least one year?	<input type="checkbox"/>	<input type="checkbox"/>
2. Do 75% of the eligible employees participate in an employer-sponsored group health plan?	<input type="checkbox"/>	<input type="checkbox"/>
3. Will the group contribute at least 50% of the employee-only rate for the plan (HMO, POS, PPO, COA) in which the subscriber is enrolled? (COA PPO is a one-stop plan)	<input type="checkbox"/>	<input type="checkbox"/>
4. Do 75% of all employees in California who will be offered a Kaiser product reside in the Kaiser Permanente California Service Area?	<input type="checkbox"/>	<input type="checkbox"/>
5. Will the estimated initial enrollment in the POS, PPO, and COA products be less than 95% of the total enrollment in Kaiser?	<input type="checkbox"/>	<input type="checkbox"/>
6. How many centers has this group had in the last 3 years? _____ If this number is less than 3, check yes.	<input type="checkbox"/>	<input type="checkbox"/>
7. If the group has 150 or fewer employees, will Kaiser be the sole health center?	<input type="checkbox"/>	<input type="checkbox"/>
8. If the group has 151 or more employees, and another center is offered, will Kaiser coverage be treated competitively regarding access for enrollment, equal employer contribution, equal benefit offering, equal waiting period, freezing or landing alternatives?	<input type="checkbox"/>	<input type="checkbox"/>
9. Will there be at least 3 POS, PPO, or COA subscribers? If not, will all of those who are offered RPO enroll in RPO?	<input type="checkbox"/>	<input type="checkbox"/>
10. Will the combined KP/KP/KP enrollment be less than 10% for COBRA and non-Medicare retirees?	<input type="checkbox"/>	<input type="checkbox"/>

A "no" response to any of the questions above will make the prospective purchaser ineligible for a quote. **Do Not** complete Sections B and C below.

Section B. Medical Profile

Please complete the following section and attach any additional sheets or documentation as needed.

	Yes	No
1. To the best of your knowledge, how many employees or dependents are presently hospitalized or disabled? _____ What is the diagnosis and prognosis of those involved? (List on a separate sheet.)		
2. Will current carrier extend benefits to those disabled upon this transfer of coverage?	<input type="checkbox"/>	<input type="checkbox"/>
3. How many employees, dependents or COBRA participants had any individual claims in the last 12 months in excess of \$10,000? _____ What is the diagnosis and prognosis of those individuals? (List information on a separate sheet and indicate which individuals are COBRA.)		
4. Is anyone apt to have a continuing claim from an existing mental or physical disorder? What is the diagnosis and prognosis of those individuals? (List on a separate sheet.)	<input type="checkbox"/>	<input type="checkbox"/>
5. Has anyone been advised to have surgery in the last 12 months or anticipate hospitalization for any other reason (i.e., organ transplant, cancer therapy, kidney dialysis, etc.)? What is the diagnosis and prognosis of those individuals? (List on a separate sheet.)	<input type="checkbox"/>	<input type="checkbox"/>
6. Are there ongoing HMO or indemnity claims? If yes, please attach explanation on a separate sheet.	<input type="checkbox"/>	<input type="checkbox"/>
7. How many employees or dependents are pregnant?		

kaiser permanente assessment test answers are a critical part of the hiring process for candidates looking to join this renowned healthcare organization. Kaiser Permanente is known for its commitment to quality care and innovative practices, and as such, the assessment tests are designed to identify candidates who align with these values. This article explores the nature of these assessments, types of questions you may encounter, strategies for preparation, and tips for success.

Understanding Kaiser Permanente Assessment Tests

Kaiser Permanente uses assessment tests to evaluate potential employees on their skills, abilities, and cultural fit within the organization. These tests often include a combination of situational judgment tests, personality assessments, and cognitive ability tests. Understanding the purpose of these assessments can help candidates tailor their preparation effectively.

Types of Assessment Tests

There are several types of assessment tests that Kaiser Permanente may use in its hiring process:

- **Cognitive Ability Tests:** These assess reasoning, problem-solving, and critical thinking skills. Candidates may be required to complete numerical reasoning, verbal reasoning, or abstract reasoning tasks.
- **Personality Assessments:** These tests gauge a candidate's personality traits and how they align with the company culture. They often include questions about how individuals react in specific situations.
- **Situational Judgment Tests (SJTs):** SJTs present hypothetical, job-related situations and ask candidates how they would respond. This helps assess decision-making and interpersonal skills.
- **Skills Assessments:** Depending on the role, candidates may be asked to demonstrate specific technical skills or knowledge relevant to healthcare practices.

Sample Questions and Answers

Preparing for the Kaiser Permanente assessment tests involves practicing with sample questions. Here are examples of the types of questions you may encounter, along with tips on how to approach them:

Cognitive Ability Test Questions

1. Numerical Reasoning:

- Question: If a patient's medication costs \$150 and it needs to be administered for 30 days, what is the total cost?
- Answer: $\$150 \times 30 = \4500 .

2. Verbal Reasoning:

- Question: Read the following statement and answer: "Kaiser Permanente aims to provide patient-centered care that is both accessible and affordable." What is the main goal of Kaiser Permanente?
- Answer: To provide patient-centered care.

Personality Assessment Questions

- Question: How would you react if a team member disagreed with your approach to patient care?
- Answer: I would listen to their perspective and discuss our different approaches to find a solution that prioritizes the patient's needs.

SJT Questions

- Question: You notice a colleague frequently arriving late to their shifts, impacting patient care. How would you handle this situation?

- Answer Choices:

1. Ignore the situation since it's not your responsibility.
2. Discuss your concerns with your colleague privately.
3. Report them to a supervisor immediately.

- Recommended Answer: Discuss your concerns with your colleague privately to address the issue collaboratively.

Strategies for Preparation

To excel in the Kaiser Permanente assessment tests, candidates should develop a strategic preparation plan. Here are some effective strategies:

1. **Research the Company:** Familiarize yourself with Kaiser Permanente's values, mission, and culture. Understanding what the organization stands for will help you answer questions more effectively.
2. **Practice Sample Tests:** Utilize online resources and practice tests to get a feel for the types of questions you may encounter. This can help reduce anxiety and improve your confidence.
3. **Review Relevant Skills:** Depending on the position, brush up on relevant technical skills or knowledge. For example, if applying for a nursing role, review medical terminology and best practices.
4. **Reflect on Your Experiences:** Think of past experiences where you demonstrated teamwork, problem-solving, and patient care. Being able to articulate these experiences can be beneficial during the assessments.

Tips for Success

Performing well in the Kaiser Permanente assessment tests requires a combination of preparation, self-awareness, and effective communication. Here are some practical tips for success:

Be Honest

When taking personality assessments, it's crucial to answer honestly. These

tests are designed to gauge your fit within the company culture, and being truthful will lead to better alignment with the organization.

Manage Your Time

Many assessments are timed. Practice managing your time effectively during sample tests to ensure you can complete all questions without rushing.

Stay Calm and Focused

It's natural to feel nervous during assessments, but try to stay calm and focused. Take deep breaths and read each question carefully before answering.

Follow Instructions Carefully

Make sure to read and follow all instructions provided during the assessment. Misunderstanding instructions can lead to incorrect answers, impacting your overall score.

Conclusion

In conclusion, the **kaiser permanente assessment test answers** play a vital role in the hiring process, helping the organization identify candidates that are not only skilled but also aligned with its core values. By understanding the types of assessments used, preparing effectively, and employing smart strategies, candidates can enhance their chances of success. Engaging with the assessment process with a clear understanding of its purpose will ultimately lead to a more fulfilling career within Kaiser Permanente.

Frequently Asked Questions

What is the purpose of the Kaiser Permanente assessment test?

The Kaiser Permanente assessment test evaluates candidates' skills, knowledge, and suitability for various positions within the organization, helping to ensure a good fit for both the candidate and the company.

What types of questions can be expected on the Kaiser Permanente assessment test?

The assessment test typically includes a mix of situational judgment questions, cognitive ability tests, and personality assessments to gauge a candidate's problem-solving abilities and interpersonal skills.

Are there specific study materials recommended for the Kaiser Permanente assessment test?

While there are no official study materials, candidates can benefit from practicing general aptitude tests, reviewing common healthcare scenarios, and familiarizing themselves with Kaiser Permanente's values and mission.

How can I prepare for the Kaiser Permanente assessment test?

Candidates should practice with sample assessment tests, review relevant healthcare knowledge, and reflect on their past experiences to effectively answer situational questions.

What should I do if I encounter a question on the assessment test that I cannot answer?

If you encounter a difficult question, try to remain calm, eliminate any obviously incorrect options, and make an educated guess based on your best judgment rather than leaving it blank.

Is the Kaiser Permanente assessment test the only factor in the hiring decision?

No, the assessment test is just one component of the hiring process. Other factors, such as interviews, references, and previous work experience, also play a significant role in the final hiring decision.
