

# Louisiana Cift 620 2d Instructions 2021

**Important:** An extension does not relieve you of your obligation to pay all tax amounts due by the original due date. If you anticipate that you will owe additional tax on your return, then you should submit your payment with a payment voucher (Form CIFT620EXT-V) on or before May 15, 2024 for calendar year filers, or on or before the 15th day of the fifth month following the close of the accounting period for fiscal year filers.

An extension means only that you will not be assessed a delinquent filing penalty for filing your return after the due date but before the extended due date. Interest on the additional tax due from the due date of the return and any penalties will be assessed if applicable. If you file your return after the extended due date, you will be assessed delinquent filing penalty from the due date of the return. NOTE: No paper or electronic extension form needs to be filed to obtain the automatic extension.

#### DECLARATION OF ESTIMATED TAX

Revised Statute 47:287.654 requires every corporation that can reasonably expect its estimated income tax for the year to be \$1,000 or more to make installment payments of its liability. The term "estimated tax" means the amount the taxpayer estimates to be the Louisiana income tax imposed

for the period less the amount it estimates to be the sum of any credits allowable against the tax. **Payments of estimated income tax can only be applied against corporation income tax.**

See the instructions for Form CIFT-620ES regarding the penalty for underpayment or nonpayment of estimated income tax.

#### ROUNDING TO WHOLE DOLLARS

Round cents to the nearest whole dollar on Form CIFT-620. Total prepayments, including any credit carried forward from last year, should also be rounded to the nearest whole dollar.

#### ALLOCATION AND APPORTIONMENT OF NET INCOME AND FRANCHISE TAXABLE BASE

Louisiana income tax is imposed only upon that part of the net income of a corporation that is derived from sources within Louisiana.

When a corporation does business within and without Louisiana, the Louisiana franchise tax is imposed only on that part of the total taxable capital that is employed in Louisiana.

## INSTRUCTIONS FOR COMPLETING FORM CIFT-620

This return is designed for electronic scanning, which permits faster processing with fewer errors. See "Who needs to complete what schedules" on Page 20 for the schedules that are required to be completed.

In order to avoid unnecessary delays caused by manual processing, taxpayers should follow the guidelines listed below:

1. Enter amounts only on those lines that are applicable.
2. If completing by hand, use a pen with black ink.
3. Because this form is read by a machine, enter your numbers inside the boxes like this:

0 1 2 3 4 5 6 7 8 9 X

4. All numbers should be rounded to the nearest dollar. The space that designated cents (.00) has been removed to save space and therefore, cents should not be entered.
5. For Lines E, F, 1A, 1B, 1D, 5A, and 5C, mark the box to the left of the entry field if the amount is less than zero. Do not use a negative sign or parentheses with the amount. For example, if your Louisiana net income on Line 1A is a \$10,000 loss, mark the box on Line 1A and enter 10,000.

Enter your legal and trade name, address, and LA Revenue Account Number on your return. For the unit type, use postal abbreviations such as APT, FL, STE, and RM. If you have a foreign address, enter the city name in the appropriate space. Follow the country's practice for entering the postal code and the name of the province, county, or state. Enter the foreign country name in the appropriate space. Don't abbreviate the country name.

If there is a change in your name or address since last year's return, mark an "X" in the "Name Change" or "Address Change" box. A direct address change can be accomplished by marking the "Address Change" box when filing your return, or can be submitted by accessing your account at [www.revenue.louisiana.gov/latap](http://www.revenue.louisiana.gov/latap).

#### PERIODS TO BE COVERED

The return must be filed for either a calendar year, a fiscal year (12-month accounting period ending on the last day of any month other than December), or a 52 - 53 week accounting period. Mark the box to indicate a calendar year return or a fiscal year return. For fiscal year and 52 - 53 week filers, the dates on which the reported period begin and end must be plainly stated in the appropriate space at the top of the return. The income tax period must be the same as that used for federal income tax purposes.

#### RETURNS FOR PART OF THE YEAR

Mark the appropriate box to indicate the filing of a short period return. For a short period return, the dates on which the reported period begin and end must be plainly stated in the appropriate space at the top of the return. The income tax period must be the same as that used for federal income tax purposes. Refer to the instructions for Schedules J, J-1, and L regarding the annualization of income and the proration of franchise tax.

#### FINAL RETURN

Mark the appropriate box to indicate the filing of a final return. For a final return, the dates on which the reported period begin and end must be plainly stated in the appropriate space at the top of the return. The income tax period must be the same as that used for federal income tax purposes. Marking the box for a final return does not close your account with LDR. To close a corporation income and franchise account, the corporation must either dissolve or withdraw its corporate charter with the Louisiana Secretary of State.

#### AMENDED RETURNS

The "AMENDED RETURN" box should be clearly marked when filing an amended return. In order to amend the amounts reported for the computation of income or franchise taxes, the taxpayer must file a revised Form CIFT-620, along with a detailed explanation of the changes, and a copy of Federal Form 1120X, if applicable.

#### REPORT OF FEDERAL ADJUSTMENTS

Revised Statute 47:287.614(C) requires every taxpayer whose federal return is adjusted to amend the Louisiana return reporting such adjustments within 180 days of the final determination of the adjustments by the IRS. The "Amended Due to IRS Audit" box should be marked to indicate that an amended return is being filed as a result of an IRS audit and a statement should accompany the amended return disclosing the nature and amounts of such adjustments.

#### ENTITY NOT REQUIRED TO FILE FRANCHISE TAX

Mark this box to indicate that the taxpayer is not required to file franchise tax. A code must also be entered in the box to the left of the entry field on Line 7. Refer to the instructions for Line 7.
