Chapter 7

Ralph, Simon, Jack, and several hunters, including Roger, begin making their way to the mountain from the other side of the island. After a brief stop to eat, Simon approaches Ralph and tells him, "You'll get 1 to where you came from . . . You'll get back all right. I think so, anyway." When Ralph calls Simon "batty," the dark-haired boy says, "No, I'm not. I just think you'll get back all right."

Readers are reminded of Simon's previous vision. He accurately envisioned the beast as a heroic but sick 2.

As they hunt and walk, Ralph daydreams about his former life: the wild ponies at the stone wall by his garden, the books, the corn flakes, the snow, and his parents. Because Golding uses the words "Mummy had still been with them," readers infer that she is likely 3.

Ralph's daydream is broken by a crash in the bushes, and before he can really think, he hurls his wooden spear at a 4, wounding the creature in the 5. Although the boar escapes, Ralph becomes greatly excited in the moment. Jack is slightly injured by the pig's 6. When Robert pretends to be the pig, the boys circle in on him for fun. The fun turns to frenzy, though, and Robert finds himself at the center of a mob and the focus of 7's knife.

Ralph finds himself willing and excited to participate in the pig circle. Golding writes, "Ralph, too was fighting to get near, to get a handful of that brown, vulnerable flesh. The desire to squeeze and 8 was 9."

Because the boys have to slow down as they navigate a treacherous part of the island, Simon volunteers to return to the beach to tell 10, alone with all the littluns, that the group won't be back until dark.

Probably because Ralph thought of sending someone to inform Piggy, Jack antagonizes Ralph to the point that Ralph asks him, "Why do you 11 me?" Jack does not answer.

- Ralph and Piggy's realization of the darker side of human nature.
- Simon's tragic death symbolizes the loss of hope and inherent goodness.
