# Cooking Instructions for Mary B's Biscuits

Cooking Mary B's biscuits is simple and straightforward. Here's a step-bystep guide to ensure you achieve the perfect result.

### What You Will Need

Before you begin, gather the following items:

- Frozen Mary B's Biscuits (desired variety)
- Baking sheet (preferably non-stick or lined with parchment paper)
- Oven (preheated to the correct temperature)
- Butter or margarine (optional for brushing)

## **Step-by-Step Cooking Instructions**

- 1. Preheat Your Oven
- Begin by preheating your oven to 400°F (204°C). It's important to ensure that your oven is fully preheated before you place the biscuits inside for even cooking.
- 2. Prepare the Baking Sheet
- Take your baking sheet and either lightly grease it with cooking spray or line it with parchment paper. This helps prevent the biscuits from sticking.
- 3. Arrange the Biscuits
- Remove the desired number of frozen biscuits from the package. Place them on the prepared baking sheet, spaced about 2 inches apart. This allows for proper rising and prevents them from sticking together.
- 4. Optional Butter Brush
- If you prefer a richer flavor, you can brush the tops of the frozen biscuits lightly with melted butter or margarine. This step adds a beautiful golden color and enhances the taste.

- Bake the Biscuits
- Place the baking sheet in the preheated oven. Bake for 20-25 minutes or until the biscuits are golden brown and fluffy. Keep an eye on them towards the end of the baking time to prevent over-browning.
- 6. Cool and Serve
- Once finished, remove the biscuits from the oven and let them cool for a few minutes. This helps them set and makes them easier to handle. Serve warm for the best experience.

# Tips for Perfect Biscuits

To ensure your Mary B's biscuits come out perfect every time, consider the following tips:

- Don't Thaw: Always bake from frozen. Thawing can lead to a denser texture.
- Space Them Out: Give each biscuit some room to rise; they will expand as they bake.
- Monitor Baking Time: Ovens can vary, so check your biscuits a few minutes before the recommended time.
- Experiment with Toppings: Try adding cheese, herbs, or spices to the tops before baking for a unique flavor twist.

## **Serving Suggestions**

Mary B's biscuits are versatile and can be enjoyed in numerous ways. Here are some popular serving ideas:

- 1. Classic Breakfast: Serve with butter and jam or honey for a traditional breakfast treat.
- 2. Biscuits and Gravy: Top with sausage gravy for a hearty meal.
