Best Times for Guided Turkey Hunts in Mississippi

Timing is crucial when it comes to turkey hunting. In Mississippi, the spring season is the prime time for guided turkey hunts. Here's a breakdown of the seasons and what to expect:

Spring Season

- **Dates:** Typically, the spring turkey season in Mississippi runs from mid-March to late May. The specific dates may vary each year, so it's essential to check the Mississippi Department of Wildlife, Fisheries, and Parks for the most current information.
- **Peak Breeding Activity:** The best time to hunt is during the peak of the breeding season, which usually occurs in April. This is when male turkeys, or toms, are most active and vocal, making them easier to locate and call in.

Fall Season

- **Dates:** While the spring season is more popular, Mississippi also offers a fall turkey hunting season from October to November.

The Day of the Hunt
