## Powerful Prayer To Protect An Expectant Mother And Baby

"O Lord, I am so thankful for this unborn child, and his mother is safe through all the seasons of pregnancy. May your grace be upon this child as he comes into the world.

Heavenly Lord, dispatch your angels before us into the delivery room. He should protect the child and the mother from any danger.

May the doctors and nurses who will help me bring this baby into the world be filled with the Holy Spirit. Give them wisdom so that they can ensure our protection. In Jesus' name, I pray. Amen."
