Main Ingredients

1. Seafood:

- 1 pound of scallops
- 1 pound of firm white fish (like snapper or tilapia), cut into bite-sized pieces

2. Vegetables:
- 1 red bell pepper, diced
- 1 green bell pepper, diced
- 1 large onion, chopped
- 3 cloves of garlic, minced
- 1 cup of corn (fresh or frozen)

3. Fruits:
- 1 ripe mango, diced
- 1 lime, juiced
- 1/2 cup of coconut milk

4. Spices and Seasonings:
- 1 teaspoon of paprika
- 1 teaspoon of cumin
- 1/2 teaspoon of cayenne pepper (adjust to taste)
- Salt and pepper to taste
- Fresh cilantro, for garnish

5. Additional Ingredients:
- 2 tablespoons of olive oil
- 1 cup of cooked rice or quinoa (optional, for serving)

Preparation

Now that you have gathered your ingredients, it's time to bring the flavors of Gout Monkey Island to life. The preparation involves several steps, each designed to enhance the dish's taste and presentation.

Step-by-Step Instructions

1. Marinate the Seafood:
- In a bowl, combine the shrimp, scallops, and fish with lime juice, paprika, cumin, cayenne pepper, salt, and pepper.
- Allow the seafood to marinate for at least 30 minutes. This will infuse the flavors and tenderize the protein.

2. Sauté the Vegetables:
- In a large skillet or wok, heat the olive oil over medium heat.
- Add the chopped onion and garlic, sautéing until they become translucent and fragrant (about 3-4 minutes).
- Stir in the diced bell peppers and corn, cooking for an additional 5 minutes until the vegetables are tender but still crisp.

3. Cook the Seafood:

- Add the marinated seafood to the skillet, cooking for about 5-7 minutes until the shrimp turn pink and the fish flakes easily with a fork.
- Pour in the coconut milk and stir gently to combine. Let it simmer for 2-3 minutes to allow the flavors to meld.

4. Incorporate the Fruit:
- Gently fold in the diced mango, allowing it to warm through without losing its texture.
- Taste the mixture and adjust seasoning if necessary.

5. Serve:
- If desired, serve the Gout Monkey Island over a bed of cooked rice or quinoa to soak up the delicious sauce.
- Garnish with fresh cilantro for a pop of color and added flavor.
