## Origins of Shoofly Pie

Shoofly pie is a traditional American pie that originated in the mid-19th century, primarily associated with the Pennsylvania Dutch (German) community. The name "shoofly" is believed to derive from the phrase "shoo fly," a reference to the flies that were often attracted to the sweet filling of the pie, particularly when left uncovered.

## Ingredients and Preparation

The basic ingredients of shoofly pie include:

- Molasses: The primary sweetener, giving the pie its rich flavor and dark color.
- Brown Sugar: Often used in combination with molasses to enhance sweetness.
- Cornmeal: Provides a unique texture and thickness to the filling.
- Butter: Adds a rich, buttery flavor to the crust and filling.
- Eggs: Help bind the ingredients together.

The preparation of shoofly pie typically follows these steps:

1. Prepare the Crust: A simple pie crust is made using flour, butter, and a pinch of salt.
2. Make the Filling: Combine molasses, brown sugar, cornmeal, and eggs. This mixture is poured into the pie crust.
3. Bake: The pie is baked until set, with a gooey, custard-like filling that contrasts beautifully with the flaky crust.

## A Short Story of Shoofly Pie

Once upon a time in a quaint little town in Pennsylvania, there lived a young girl named Lila. She spent her days wandering through the lush green fields and listening to the tales spun by her grandmother, who was known as the best baker in the region. Every Sunday, the aroma of freshly baked goods wafted through their small home, but one dessert stood out above the rest: shoofly pie.

Lila's grandmother would tell her stories of how shoofly pie was a staple among the Pennsylvania Dutch. It was said that the pie was a favorite during the long winter months—when families gathered around the fireplace, sharing tales and laughter. But what captivated Lila the most were the stories of how the pie got its name.

One afternoon, as Lila helped her grandmother in the kitchen, she asked, “Why is it called shoofly pie, Grandma?” With a twinkle in her eye, her grandmother replied, “Well, my dear, it’s because the sweet filling attracts all the little flies! You must shoo them away while it cools on the windowsill.”

Amused by the idea of pesky flies, Lila decided to hold a shoofly pie contest at her school. She wanted everyone to experience the joy her grandmother had shared with her. The day of the contest arrived, and the school gymnasium buzzed with excitement. Students brought their best homemade pies, each with its unique twist on the traditional recipe.

As the contest began, Lila noticed her grandmother sitting proudly in the front row, her heart swelling with love. The judges tasted each pie, but when they reached Lila’s entry, they were met with a delightful surprise. The inviting aroma of the molasses filling and the crumbly topping danced in the air.

After the final pie was judged, Lila stood nervously as the results were announced. To her astonishment, she won first place! The judges praised her for capturing the essence of shoofly pie, and Lila beamed with pride, knowing she had honored her grandmother’s legacy.

From that day on, Lila not only cherished the pie but also the stories and traditions that came with it. She vowed to pass on the recipe to her children, ensuring that the sweetness of shoofly pie would live on in their family for generations.
