This article explores their backgrounds, the development of Jivamukti Yoga, and their impact on the yoga community and beyond.

Background of Sharon Gannon and David Life

Sharon Gannon and David Life both have rich backgrounds that have influenced

their journey into yoga.

Sharon Gannon

Born in 1951, Sharon Gannon grew up in a creatively rich environment. She was immersed in the arts, spending her early years studying various forms of dance, music, and performance.

- Early Influences: Sharon's passion for movement led her to explore yoga as a form of physical expression. She began practicing yoga in the 1970s, seeking a deeper understanding of the body and mind connection.
- Spiritual Journey: Over time, her practices expanded beyond physical postures. Sharon delved into the philosophy of yoga and the spiritual teachings of the East, seeking to integrate these elements into her practice.

David Life

David Life, born in 1959, shared a similar journey into the world of yoga, albeit through a different lens.

- Artistic Background: David was initially drawn to the arts, particularly photography and visual arts, which shaped his understanding of aesthetics and expression.
- Introduction to Yoga: Like Sharon, David found yoga in the 1970s. He became captivated by its potential for personal transformation and self-discovery.

Together, their diverse backgrounds and shared passion for yoga laid the foundation for a unique method that would resonate with many.

The Birth of Jivamukti Yoga

In the early 1980s, Sharon Gannon and David Life co-founded Jivamukti Yoga, a method that emphasizes the interconnectedness of body, mind, and spirit. The term "Jivamukti" translates to "liberation while living," reflecting the philosophy behind their teachings.

Core Principles of Jivamukti Yoga

Jivamukti Yoga is built on five core principles that guide practitioners in their journey:

1. Ahimsa (Non-violence): This principle emphasizes compassion and kindness towards all living beings, both in thought and action.

2. Bhakti (Devotion): Encourages a devotional practice, where practitioners connect to a higher power or universal energy through love and devotion.
3. Dhyana (Meditation): Highlights the importance of meditation as a tool for self-discovery and inner peace.
4. Shastra (Scripture): Involves the study of ancient texts and philosophies, grounding practitioners in the rich history of yoga.
5. Nada (Sound): Emphasizes the significance of sound in practice, incorporating music and chanting as a means of spiritual elevation.

Teaching Style

The teaching style of Jivamukti Yoga is characterized by its dynamic approach, incorporating:

- Vinyasa Flow: A sequence of postures linked by breath, with an emphasis on fluidity and movement.
- Spiritual Themes: Each class often revolves around a specific theme, integrating philosophical discussions and spiritual insights.
- Music and Chanting: The use of music plays a crucial role in creating an uplifting environment, enhancing the overall experience.
