The History of O Holy Night

Origins and Composition

In 1847, Adolphe Adam composed the music to accompany Cappeau's lyrics. Adam was a well-known composer of operas and ballets, and he infused "O Holy Night" with a rich, romantic melody that captures the emotional depth of the text. The song quickly gained popularity in France and was later translated into English by John Sullivan Dwight, an American Unitarian minister and musicologist, in 1855.
