Star Ocean First Departure R Recruitment Guide

Star Ocean First Departure R Recruitment Guide

Star Ocean: First Departure R is a remastered version of the classic RPG that originally debuted on the PlayStation Portable. This game is beloved for its rich storytelling, engaging characters, and the intricate mechanics of recruiting allies to join your journey. This guide aims to provide players with a comprehensive understanding of the recruitment process in Star Ocean: First Departure R, highlighting key characters, their unique abilities, and tips on how to successfully recruit them.

Understanding Recruitment in Star Ocean: First Departure R

Recruitment in Star Ocean is a crucial aspect of the gameplay. Players can gather a diverse party of characters, each with their own skills and backgrounds. The recruitment mechanics are influenced by two primary factors: the player's actions and decisions throughout the game, and the relationships built with various characters.

Key Factors Influencing Recruitment

1. Story Choices: Many characters can only be recruited based on specific decisions made during missions or conversations. Pay attention to dialogue options and try to maintain positive interactions.

2. Character Skills: Each recruitable character has specific skills that can benefit the party. Understanding their abilities can help players make strategic decisions about who to recruit.

3. Timing: Certain characters can only be recruited at specific points in the game. If you miss the opportunity, you may have to restart or load a previous save to attempt recruitment again.

4. Player Level: Some characters require the player to reach a certain level before they will join the party. Make sure to level up adequately before attempting recruitment.

Major Characters and Recruitment Requirements

Here's a detailed list of major recruitable characters in Star Ocean: First Departure R, along with their backgrounds and recruitment requirements.

1. Rena Lanford

- Background: Rena is the main female protagonist and has a deep connection to the planet Expel. She is a healer and possesses strong magical abilities.
- Recruitment: Rena joins the party early in the game during the events at the beginning of the story. Players must choose to help her when she asks for assistance.

2. Claude C. Kenny

- Background: Claude is the main protagonist, a young ensign from Earth who is transported to the world of Expel. He brings a unique perspective and a range of combat skills to the party.
- Recruitment: Claude is automatically recruited at the start of the game.

3. Celine Jules

- Background: Celine is a skilled magician with a mysterious past. Her knowledge of magic is invaluable in battles.
- Recruitment: Celine can be recruited after players complete the first dungeon. Talk to her at the town of Arlia to initiate her joining.

4. Ashton Anchors

- Background: Ashton is a warrior who wields dual swords and possesses a unique ability to summon monsters.
- Recruitment: Players must find Ashton in the cave south of the town of Arlia. He will join upon completion of a quest involving the monsters he can summon.

5. Precis F. Neumann

- Background: Precis is an inventive genius who creates powerful weapons and gadgets to aid the party.
- Recruitment: She can be recruited in the town of Mars Village after players complete a specific side quest. Ensure to talk to her after finishing the related tasks.

6. Bowser

- Background: A mercenary with a tough exterior, Bowser often provides comic relief but is also a formidable fighter.
- Recruitment: Bowser can be found in a tavern within the town of Linga, and he will join after the player engages with him in conversation.

Tips for Successful Recruitment

To maximize your chances of successfully recruiting characters, consider the following tips:

Maintain Positive Relationships

- Dialogue Choices: Always opt for dialogue choices that show support or kindness to characters. Avoid negative comments that could lead to conflicts.
- Gift Giving: Some characters respond positively to gifts. If applicable, offer items that align with their preferences.

Level Up Your Characters

- Grinding: Regularly engage in battles to level up your characters. Higher levels increase your chances of successfully recruiting tougher characters.
- Skill Development: Focus on developing skills that are relevant to your party composition. This will make your team more appealing to recruits who value combat effectiveness.

Timing is Everything

- Story Progression: Pay attention to the game's storyline and ensure that you are at the right point to recruit specific characters.
- Side Quests: Engage in side quests as they often lead to recruitment opportunities. Completing these quests may unlock characters who would otherwise be unavailable.

Explore Thoroughly

- Visit All Areas: Explore all towns and dungeons thoroughly. Some characters are hidden in less obvious locations, and missing them can lead to missed recruitment opportunities.
- Check for Events: Certain characters will only appear during specific events. Make sure to revisit areas after significant story developments.

Conclusion

Recruiting characters in Star Ocean: First Departure R adds depth and strategy to the gameplay experience. By understanding the backgrounds, recruitment requirements, and relationship dynamics of each character, players can create a well-rounded party. Remember to focus on building positive relationships, leveling up, and exploring the game world thoroughly to maximize recruitment opportunities. With this guide, players will be well-equipped to assemble a formidable team and enjoy the rich journey that Star Ocean has to offer. Happy recruiting!
