The game revolves around players sketching a word or phrase and then guessing what others have drawn, leading to often hilarious and unexpected results. The game can last anywhere from 30 minutes to an hour, depending on the number of players and rounds played.

## Components of the Game

- 8 Dry-Erase Boards: Each player gets a board to draw on.
- 8 Markers: Dry-erase markers for drawing and guessing.
- 8 Clean-Up Cloths: To wipe the boards clean between rounds.
- Themed Word Cards: Contains 3 words or phrases per card, with categories designed for adult players.
- Rules Booklet: A guide to help explain the game and its variations.

- Timer (optional): Some versions include a timer to keep each round flowing smoothly.

## Setting Up the Game

Setting up Telestrations After Dark is straightforward and can be done in just a few minutes. Follow these steps to ensure everything is ready before the fun begins:

1. Gather Players: Assemble 4 to 8 players who are ready for some adult-themed fun.
2. Distribute Components:
  - Give each player one dry-erase board, one marker, and one clean-up cloth.
3. Choose Word Cards:
  - Shuffle the word cards and place them face down in the center of the table.
  - Each player picks a card and chooses one of the three words or phrases to use for that round.
4. Agree on Rules:
  - Before starting, discuss any house rules or variations you want to implement. This could include time limits for drawing or guessing.
5. Set Up the Timer:
  - If using a timer, decide on the time limit for each round (typically between 60 to 90 seconds works well).

## Gameplay Instructions

Now that you're set up, it's time to explore the Telestrations After Dark instructions for game play.

### Round Structure

Each round consists of the following steps:

1. Choose a Word/Phrase:
  - Each player secretly selects one word or phrase from their chosen card.
2. Draw:
  - Once everyone has their word, players start drawing it on their boards. The timer starts, and they have a limited time to complete their drawing.
3. Pass the Board:
  - When the time is up, players pass their boards to the player on their left.
4. Guess:
  - Each player then looks at the drawing they received and writes down what

they believe the drawing represents. After guessing, they cover the drawing so that only their guess is visible.

5. Pass Again:

- Players pass their boards once more to the left. The next player will see the guess and then draw their interpretation of it.

6. Continue the Cycle:

- This process continues until each board has made its way around the table.

7. Reveal:

- Once the boards have returned to their original owners, players take turns revealing their drawings and guesses. This often leads to laughter and surprising interpretations!

## Scoring Points

Although Telestrations After Dark is primarily about fun, you can keep score for a competitive edge. Here's how it works:

- Points for Correct Guesses:

- Players earn points for correctly guessing the drawing made by the previous player. Each correct guess can earn a point.

- Points for Accurate Drawings:

- If a player's drawing gets correctly guessed, they also earn a point.

- End of Game:

- Once a predetermined number of rounds are completed, players tally their points. The player with the most points wins the game.

## Variations and House Rules

To keep the game fresh and exciting, consider implementing some variations or house rules:

- Theme Rounds: Choose a specific theme for a round (e.g., movies, songs, or inside jokes) to make the drawings and guesses even more entertaining.

- Time Limits: Adjust the time limits for drawing and guessing to increase the challenge.

- Blind Drawing: For an added twist, players can draw with their non-dominant hand or with their eyes closed.

- Reverse Guessing: Instead of drawing a word, players can guess a word based on a drawing done by another player.

# Tips for an Enjoyable Experience

To ensure that everyone has a great time playing Telestrations After Dark, consider the following tips:

- Set the Mood: Create a fun atmosphere with music, snacks, and drinks. This will help everyone relax and enjoy the game.
- Encourage Creativity: Remind players that their drawings don't have to be perfect. The sillier, the better!
- Be Respectful: Since the game includes adult-themed content, it's important to ensure that all players are comfortable with the material. Discuss any topics that might be off-limits beforehand.
