Using the Tarotorial Tarot Training Deck is straightforward, whether you are a complete beginner or have previous experience with tarot. Here's a step-by-step guide to get started:

Step 1: Familiarize Yourself with the Deck

Before diving into readings, take some time to familiarize yourself with the deck. Go through each card, read the descriptions in the guidebook, and note any initial impressions or feelings about the cards.

Step 2: Start with the Major Arcana

Begin your journey by focusing on the Major Arcana, as these cards represent significant life events and spiritual lessons. Spend time understanding each card's meaning and how it relates to your life experiences.

Once you are comfortable with individual card meanings, start practicing tarot spreads. The

guidebook may provide examples of different spreads, such as:
