

The Escapist Crafting Guide

The Escapist Crafting Guide

Crafting is a central mechanic in "The Escapists," a series of games that allow players to experience life as a prisoner trying to escape various correctional facilities. Understanding crafting is crucial for survival, progression, and ultimately achieving freedom. This guide will delve into essential crafting recipes, strategies for gathering materials, and tips for successful escapes.

Understanding Crafting in The Escapists

In "The Escapists," crafting is a way to combine different items to create tools, weapons, and other

useful objects. Crafting not only aids in escaping but also helps players to defend themselves against other inmates and guards. The crafting system is intuitive, allowing players to experiment with different combinations of items to discover new recipes.

Crafting Basics

To craft in "The Escapists," players need to:

1. Collect Materials: Items can be found throughout the prison, obtained from defeated enemies, or purchased from other inmates.
2. Access the Crafting Menu: Press the designated button to open the crafting menu, where you can see the items you currently possess and the potential recipes.
3. Combine Items: Select two or more items to combine them into a new item. Some items require specific tools (like a desk or workbench) to craft.

Essential Crafting Materials

To craft effectively, players need to know where to find essential materials. Here's a list of common items that are frequently used in crafting recipes:

- Timber
- Metal Sheets
- Bed Dummy
- Roll of Duct Tape
- Crafting Note
- Poster
- File
- Shovel

Each of these materials has multiple uses, making them valuable for various crafting recipes.

Key Crafting Recipes

Knowing specific crafting recipes can significantly enhance your gameplay. Below are some crucial recipes that every player should memorize:

Tools for Escaping

1. Shovel

- Materials Needed: 2 x Timber, 1 x Metal Sheet
- Use: Essential for digging tunnels, which is a common escape method.

2. Pickaxe

- Materials Needed: 3 x Metal Sheets, 1 x Timber
- Use: Useful for breaking through walls or fences.

3. Crowbar

- Materials Needed: 2 x Metal Sheets, 1 x Timber
- Use: Great for prying open doors and lockers.

Weapons for Defense

1. Bat

- Materials Needed: 1 x Timber, 1 x Duct Tape
- Use: A solid melee weapon for defending against other inmates and guards.

2. Spoon Knife

- Materials Needed: 1 x Spoon, 1 x File
- Use: A stealthy weapon that is easy to craft.

3. Nunchucks

- Materials Needed: 2 x Timber, 1 x Duct Tape
- Use: A fast and effective melee weapon.

Disguises and Deception

1. Bed Dummy

- Materials Needed: 1 x Pillow, 1 x Duct Tape
- Use: Can be used to fool guards during bed checks.

2. Fake Vent Cover

- Materials Needed: 1 x Vent Cover, 1 x Duct Tape
- Use: To cover escape routes and prevent guards from noticing your absence.

Strategies for Gathering Materials

Gathering materials efficiently is key to successful crafting. Here are some strategies to help you collect necessary items:

Search Thoroughly

- **Loot Cells:** When the guards are distracted or during free time, search the cells of other inmates. This can yield a treasure trove of useful items.
- **Check Desks:** Each inmate has a desk that can be searched for materials and crafting supplies.

Trade with Inmates

- **Barter for Items:** Some inmates may have what you need. Use currency or items you don't need to trade for essential materials.
- **Build Relationships:** Increasing your favor with certain inmates can lead to better trades and protection.

Utilize Crafting Notes

- **Find Crafting Notes:** These can provide valuable insight into new recipes. Keep an eye out for them in the prison environment.
- **Experiment:** If you have a hunch about a recipe, don't hesitate to try it out. The crafting system is forgiving and encourages experimentation.

Tips for Successful Escapes

Crafting is just one part of the escape process. Here are some tips to improve your chances of success:

Plan Your Escape

- **Know the Schedule:** Familiarize yourself with the guard patrols and inmate routines. Timing is crucial for a successful escape.
- **Create Multiple Escape Routes:** Don't rely on a single method. Have backup plans in case your initial escape route is blocked.

Manage Your Inventory

- **Stay Organized:** Keep track of your items and ensure you have the necessary materials for your escape plan ready.
- **Prioritize Lightweight Items:** When crafting, consider the weight of items. Carrying too much can slow you down.

Use Distractions Wisely

- Cause a Ruckus: Sometimes, creating a distraction can draw guards away, giving you the perfect opportunity to make your move.
- Employ Fake Items: Use crafted items like the Bed Dummy to simulate your presence in your cell while you escape.

Conclusion

The crafting system in "The Escapists" is a vital tool for any player looking to successfully navigate the challenges of prison life and achieve freedom. By mastering crafting recipes, gathering essential materials, and implementing effective escape strategies, players can enhance their gameplay experience. Remember, the key to escaping lies not just in crafting but also in clever planning and resourcefulness. Happy escaping!
