needs to be done. This is especially useful for the more complex trophies that require specific actions or decisions.

Detailed Trophy Strategies

Let's take a closer look at some of the key trophies and strategies to unlock them.

"The Power of the People"

To unlock this gold trophy, you must complete all major storylines. Here are some steps to ensure you achieve this:

- Follow the Main Questline: Keep progressing through the main story missions, ensuring you don't skip any.
- Engage with Side Quests: Many side quests can influence the main storyline or provide essential items. Make sure to complete these as you encounter them.
- Check the Journal: Your in-game journal will keep track of completed missions. Use it to ensure you've not missed any crucial story arcs.

"Master of the Wasteland"

- Complete Quests: Quests offer substantial experience rewards. Focus on both main and side quests.
- Utilize Experience Boosts: If you find items or perks that enhance experience gain, use them strategically to level up faster.

"Dare to Be Great"

Collecting 100 items can be achieved organically as you explore:

- Loot Everything: Make it a habit to loot every body and container you encounter.
- Sell Unused Items: If you find yourself over-encumbered, sell off items you don't need to free up space for new loot.
- Use the Map: The game's map can help you locate points of interest where items can be found.

"Combat Specialist"

Winning 50 battles is straightforward if you actively engage in combat:

- Seek Out Encounters: Look for random encounters on the map. These can be a great source of battles.
- Replay Battles: If you find a battle that is easy for your team, consider reloading and replaying it to rack up victories.
