1. Introduction to ZTH 035 BT Earbuds

The ZTH 035 BT earbuds are designed for users who value high-quality sound and portability. With their sleek design and advanced Bluetooth technology, these earbuds are perfect for music lovers and those who need hands-free calling. Here, we will discuss the key features of the ZTH 035 BT earbuds.

1.1 Key Features

- Bluetooth Connectivity: The ZTH 035 earbuds support Bluetooth 5.0, ensuring a stable connection with your devices.
- Battery Life: With a battery life of up to 8 hours on a single charge, these earbuds are perfect for all-day use.
- Noise Isolation: The design provides excellent passive noise isolation, allowing you to enjoy your music without interruptions.
- Touch Controls: Easily manage your music and calls with intuitive touch controls directly on the earbuds.
- Water Resistance: Rated IPX5, the earbuds are resistant to sweat and splashes, making them suitable for workouts and outdoor activities.

2. Getting Started

Before using your ZTH 035 BT earbuds, it is essential to familiarize yourself with the initial setup and charging process.

2.1 Unboxing

When you unbox your ZTH 035 BT earbuds, ensure you have the following items:

- ZTH 035 BT earbuds
- Charging case
- USB-C charging cable
- User manual
- Ear tips (various sizes)

2.2 Charging the Earbuds

To charge your ZTH 035 BT earbuds:

1. Place the earbuds into the charging case.
2. Connect the USB-C charging cable to the case and plug it into a power source.
3. The LED indicator on the charging case will show the charging status—red indicates charging, while blue means fully charged.

2.3 Pairing with Your Device

To connect your earbuds to a smartphone or other Bluetooth-enabled device:

1. Ensure the earbuds are charged and out of the charging case.
2. Press and hold the touch control on both earbuds until the LED flashes blue and red.
3. On your device, go to Bluetooth settings and search for available devices.
4. Select "ZTH 035" from the list to connect.
5. Once connected, the LED will turn blue.

3. Using Your ZTH 035 BT Earbuds

Once you have successfully paired your ZTH 035 BT earbuds, it's time to explore their functionality.

3.1 Touch Controls

The touch controls on your earbuds allow you to manage calls and music easily. Here are the functions:

- Play/Pause Music: Tap once on either earbud.
- Next Track: Double-tap on the right earbud.
- Previous Track: Double-tap on the left earbud.
- Answer/End Call: Tap once on either earbud.
- Reject Call: Press and hold either earbud for 2 seconds.
- Voice Assistant: Triple-tap on either earbud to activate your device's voice assistant.

3.2 Managing Battery Life

To maximize battery life while using your ZTH 035 BT earbuds:

- Turn off the earbuds when not in use by placing them back in the charging case.
- Lower the volume to reduce battery consumption.
- Avoid exposing the earbuds to extreme temperatures, which can affect battery performance.

4. Maintenance and Care

Proper maintenance can significantly extend the lifespan of your ZTH 035 BT earbuds.

4.1 Cleaning the Earbuds

To keep your earbuds clean:

- Use a soft, dry cloth to wipe down the exterior.
- For the silicone ear tips, gently remove them and wash with mild soap and water. Allow them to dry completely before reattaching.
- Avoid using harsh chemicals or abrasive materials.

4.2 Storing the Earbuds

When not in use, store your ZTH 035 BT earbuds in their charging case. This protects them from damage and ensures they are charged when you need them.

5. Troubleshooting

If you encounter issues with your ZTH 035 BT earbuds, the following troubleshooting tips may help.

5.1 Common Issues and Solutions

1. Earbuds Won't Connect to Bluetooth:
- Ensure Bluetooth is enabled on your device.
- Restart the earbuds by placing them back in the charging case and removing them again.
- Forget the device on your phone and reconnect.

2. Poor Sound Quality:
- Check the battery level; low battery can affect sound quality.
- Ensure a snug fit with the correct ear tips for optimal sound isolation.
- Try resetting the earbuds by holding the touch controls for 10 seconds.

3. Earbuds Keep Disconnecting:
- Ensure you are within the Bluetooth range (typically 33 feet).
- Remove other paired devices to avoid interference.
- Restart your device and try reconnecting.

5.2 Resetting the Earbuds

If you continue to experience issues, you may need to reset your earbuds:

1. Place both earbuds in the charging case.

2. Hold the touch controls on both earbuds for 10 seconds until the LED indicators flash red and blue.
3. Remove the earbuds from the case, and they will enter pairing mode.

6. Conclusion

The ZTH 035 BT earbuds offer a fantastic blend of convenience, quality, and style. By following this manual, you can ensure that you are getting the most out of your earbuds—from setup to maintenance and troubleshooting. Whether you are commuting, exercising, or simply enjoying your favorite tunes at home, the ZTH 035 BT earbuds are designed to enhance your audio experience.
