In this article, we will delve into the details of this recipe, including its ingredients, preparation method, variations, and tips for making the perfect zucchini slice.

Ingredients Required for Zucchini Slice

To create Jamie Oliver's zucchini slice, you will need the following ingredients:

- Zucchini: 2 medium-sized zucchinis, grated
- Onion: 1 medium onion, finely chopped
- Cheese: 150g of grated cheese (cheddar or a mix of cheeses)
- Eggs: 3 large eggs
- Flour: 100g of self-raising flour
- Bacon or Ham: 100g of diced bacon or ham (optional for a non-vegetarian version)
- Milk: 100ml of milk
- Olive Oil: 2 tablespoons of extra virgin olive oil
- Salt and Pepper: To taste
- Herbs: Fresh herbs such as parsley or dill (optional)

This ingredient list is fairly flexible. You can easily adjust the quantities based on your taste preferences or dietary restrictions.

Preparation Method

Making Jamie Oliver's zucchini slice is straightforward and involves a few simple steps. Here's how to prepare this mouthwatering dish:

Step 1: Prepare the Zucchini

- Start by washing the zucchinis thoroughly to remove any dirt.
- Grate the zucchinis using a box grater or a food processor. If the zucchinis are particularly watery, you might want to sprinkle them with a pinch of salt and let them sit for about 10 minutes before squeezing out the excess moisture. This will prevent your slice from becoming too soggy.

Step 2: Sauté the Onion

- In a frying pan, heat 1 tablespoon of olive oil over medium heat.
- Add the finely chopped onion and sauté it until it becomes soft and translucent, about 5 minutes. If you're using bacon or ham, add it to the pan and cook until crispy.

Step 3: Combine the Ingredients

- In a large mixing bowl, combine the grated zucchini, sautéed onion (and bacon, if used), grated cheese, eggs, milk, and remaining olive oil.
- Stir in the self-raising flour, mixing until all the ingredients are well combined. Season with salt and pepper to taste. If you're adding fresh herbs, fold them into the mixture at this point.

Step 4: Bake the Zucchini Slice

- Preheat your oven to 180°C (350°F).
- Grease a baking dish (approximately 20x30cm) with a bit of olive oil or line it with parchment paper.
- Pour the zucchini mixture into the prepared baking dish and spread it evenly.
- Bake in the preheated oven for about 35-40 minutes, or until the top is golden brown and a skewer inserted into the center comes out clean.

Step 5: Cool and Serve

- Once baked, remove the zucchini slice from the oven and allow it to cool for a few minutes in the baking dish.
- Cut it into squares or slices and serve warm or at room temperature.

Jamie Oliver's zucchini slice is incredibly versatile and can be served in various ways:

Vegetarian Options

- Use Plant-Based Cheese: For a vegan version, opt for plant-based cheese and replace the eggs with a flaxseed egg or other egg substitutes.

Gluten-Free Options

- Gluten-Free Flour: Substitute the self-raising flour with a gluten-free flour blend. You might need to add a bit of baking powder to help it rise.

Herb and Spice Variations

- Spices: Add spices like cumin or paprika for an extra kick.
- Herbs: Experiment with different herbs like basil or thyme to enhance the flavor.

Tips for the Perfect Zucchini Slice

To ensure your zucchini slice turns out perfectly every time, consider the following tips:

- Don't Overmix: When combining the ingredients, mix gently to avoid making the slice tough.
- Check for Doneness: Ovens can vary, so keep an eye on the zucchini slice as it bakes. A golden top and clean skewer are good indicators.
- Storage: Store any leftovers in an airtight container in the refrigerator for up to 3 days. You can also freeze the slice and reheat it later for convenience.
