Yoga Poses for Neck and Shoulder Pain Relief

Incorporating specific yoga poses into your routine can target neck and shoulder pain effectively. Here are some recommended poses to try:

1. Cat-Cow Stretch (Marjaryasana-Bitilasana)

- How to Do It: Start on your hands and knees in a tabletop position. Inhale as you arch your back and lift your head (Cow). Exhale as you round your spine and tuck your chin (Cat). Repeat for 5-10 cycles.
